Jay's Journal

Hello!

I just wanted to remind everyone that some of our residents do enjoy a walk outside once in a while, even on a brisk, fall day. Please be mindful of our speed limit on the property when traveling to and from Fair Oaks. Aside from the residents, please be aware that our staff parking lot, located at the top of the driveway within the gazebo park, forces our staff to cross the driveway when arriving and leaving work.

We will be pulling up the speed bumps soon to prepare the driveway for the winter plowing season. Over the next few months please be aware that there may be outdoor projects that may disrupt or change traffic patterns on the property. You will always be able to find updates about driveway closures, parking changes and more on our website by visiting our news page.

Thank you! Here is to a happy & safe autumn!

Rev. Ing's Things

Dear Ones,

Did you know that November is National Family Stories Month? I didn't! November is also the Month of the Pomegranate in case you were wondering. Every family has multiple stories, ones that bring laughter, tears and even good-natured groans. There are stories we love to tell again and again and others that we would rather forget. The thing to remember is that all stories are important to God. When we consider our family stories, even if it seems as if God did not play a big part, or even when we felt God's absence more than God's presence, GOD WAS THERE. Our Loving Creator continues to walk with us as our stories unfold day by day.

I love to hear your stories and I encourage you to share them with me, with one another, and with God. Most assuredly, for every person, all around the world: we belong to one HUGE, incredible family: the Family of God! Let us tell our family stories to one another and listen to the tales of others, celebrating our uniqueness and our commonality!

With much love and thankfulness, your sister in the Spirit,
Pastor Ing
