Jay's Journal

Hello,

Johnson's Pharmacy has been providing services the residents at Fair Oaks for many years. Unfortunately, we have had many issues with the delivery of services, communication and follow through over the past several months. For these reasons, we vetted other pharmacies that would be able to meet the needs of Fair Oaks and our residents. We are happy to announce that Leechburg Pharmacy has answered the call and are both able and willing to be the preferred pharmacy to provide the pharmacy services to Fair Oaks.

We are planning to begin services with Leechburg Pharmacy on Wednesday, August 24th. We specifically picked that day to ensure that the new med carts & laptops will be delivered, set up and ready for passing of medications. Also, that is "cycle day", when all medications will be delivered as to not create an overlap in medications or billing of those medications. This should be a seamless process not even noticeable to the resident or their families. Leechburg Pharmacy uses the same electronic medication administration record system currently in place at Fair Oaks, so our Med Techs will not need to be retrained on another software platform or system.

I will be setting up a Meet & Greet with Leechburg Pharmacy at some point in the near future to answer specific questions our residents and family members may have. Please be on the lookout for updates in the coming weeks. I will also post the date to the Fair Oaks website "News" section at that time. Thank you for your support and patience during this transition and we expect a great working relationship between Fair Oaks and Leechburg Pharmacy for years to come!

Rev. Ing's Things

Dear Ones,

Do you know the song "Seasons of Love" from the musical Rent? The song begins:

Five hundred twenty-five thousand, six hundred minutes

Five hundred twenty-five thousand moments so dear

Five hundred twenty-five thousand, six hundred minutes

How do you measure, measure a year?

In daylights, in sunsets

In midnights, in cups of coffee

In inches, in miles

In laughter, in strife

In five hundred twenty-five thousand, six hundred minutes

How do you measure a year in the life?

I have been so blessed to serve as your chaplain here at Fair Oaks for one year.

How can I measure this year?

In chapel services or bible studies,

In Frank Sinatra songs, prayers,

In sing-a-longs on Oak Hall?

In your beautiful smiles, your kind words?

I suppose I could. But like the singer of "Seasons of Love" concludes, I too, need to measure this year in love.

Yet love cannot be truly measured can it?

I certainly can't put a measurement on the love and grace I have experienced at Fair Oaks-- all thanks to you.

Your faces, your words, your kindness, all reflect Christ to me. I am honored to have spent a year with you. And I

look forward to sharing many more years, and much love right here.

Love, Pastor Ingrid

Zach's Snacks

Hey Everyone, I'm sure you all have noticed by now that the dining room is pretty full now. Because of this I've decided that in order to give everyone the best service as possible at meal times we will start conducting two separate seatings for lunch and dinner. This should help things run a lot smoother. I do not have all the details worked out yet but when I do I will give each of you a note in your mailbox with what seating you will be attending. As always if you have any questions feel free to ask!

Liz's Leisures

Hello everyone! Many of you know that I am a familiar face around Fair Oaks the past 2.5 years, but I am happy to say that I am now your Activities Director! I aim to continue providing exciting activities for everyone and to introduce some new activities so that there is something for everyone to enjoy! I want our activities to represent all the residents at Fair Oaks so I welcome and encourage everyone to leave me their suggestions for all types of activities. Fair Oaks has become a second home to me over the past couple of years and I look forward to serving everyone in my new role!
